Rules

- **This is a fun event!**
- **All participants participate at own risk. By entering the race participants indemnify the national and provincial bodies, hosts, sponsors and organisers of the race against all and any action of whatever nature that may arise out of their participation in the event.**
- **Entries must reach your regional representative no later than midnight on the 3rd September 2020**
- The following is an example of formatting required on entry. Please keep to this since formatting is critical to the capturing process. If clubs want to send grouped information, they are welcome to contact Chris at Chrisc37@gmail.com for excel templates.

Race #	Distance	Name	Surname	Club	Province	ID number	Licence #
1	10	Peter	Davidos	Quickwalkers	GN	5002015000181	1234

- **Please do not add extraneous detail!** If your ID number shows as that is fine, as long as you have typed it correctly do not add to the number. It is an excel formatting issue.
- The virtual race will take place on any of the 10th-11th October – **you may enter for only 1 race!**
- The course should be reasonably flat and preferably end at the same point (or close) to the start.
- **You must obey all National, Provincial and local lockdown and safety rules.**
- **You must employ legal technique whilst racing. Please do not cheat yourself!**
- Results together with photo (screenshot) of your smartwatch/phone must be sent to Chris Callaghan (chrisc37@gmail.com) for processing no later than 12 Midnight on Monday 12th October. If you do not have a smartwatch/phone get a friend to time you.
- Results sent to Chris must be in the format H:MM:SS.x no other format is acceptable. Hours must be included even if zero. **IE: Not acceptable are the following: 1 hour 11min 4 seconds, 33:22, 36:20:12** – correct formats for these times are: 1:11:04.0, 0:33:22.0, 0:36:20.12.
- Results will be published in full in the next issue of the South African Racewalker.
- There are no cut-off times.
- Walkers may absolutely only enter one race
- In each distance and age group points will be awarded as follows (Masters points awarded in 5 year categories):
 - First = 20
 - Second = 10
 - Third = 5
 - All other finishers = 1
- This means that every finisher earns a point for their region!
- Besides the usual junior categories seniors and Masters will be allowed to enter for 5 or 10 or 20km – athletes should choose wisely to optimise their point possibilities
- Novices are encouraged to join. For the purposes of this competition a novice will be any walker who has not walked in a physical racewalking competition before 2020. **However, there is not a novice category.**
- Take note of ASA CIRCULAR 36 OF 2020
